other eligibility criteria + conditions of entry

- The following guidelines apply to all scholarships offered by UNSW Village.
- All recipients of scholarships will be determined by CLV based upon the criteria outlined above. However, not all candidates meeting these criteria will necessarily be awarded scholarships.
- CLV reserves the right to not award any scholarships in a year if no candidates are considered suitable by the scholarship selection panel.
- Scholarships are paid as rental subsidies. Rental subsidies take the form of a weekly or fortnightly deduction (depending on whether rent is paid on a weekly or fortnightly basis)
- Scholarship amounts are paid in the currency of the country in which they are awarded (ie: Australian dollars)
- Scholarship recipients must be enrolled as full-time students and must reside at UNSW Village for the year the scholarship has been awarded. Part-time and distance learning applicants are not eligible.
- Applicants must hold current Citizenship or Residency for the country in which the CLV Village that the applicant resides in is located, or a valid Student Visa. CLV retains the right to be the final arbiter of an applicant's eligibility.
- If a scholarship recipient leaves the Village, withdraws from their course of study; leaves University altogether or otherwise breaches the specific criteria of eligibility as listed above, their scholarship will be terminated with immediate effect and all rental payments ceased.
- Scholarships may be terminated if CLV deems the following:
 - Unsatisfactory academic performance (such as falling below the required academic standards pertaining to their scholarship)
 - Unsatisfactory performance or involvement in scholarship-related activities (eg: Sport)
 - The recipient acts in a way so as to bring CLV, the Village or the University into disrepute.
- For academic scholarships, the recipient must not have previously completed a similar academic qualification of equal or higher level. For example, a recipient completing a Bachelor of Science must not hold a Bachelors or higher degree in any Science course.
- All recipients must advise CLV if they are receiving any other type of scholarship, including the type and awarding source. CLV reserves the right to terminate scholarships if the recipient does not disclose this information.
- CLV accepts no responsibility for any tax implications that may arise from the grant of a scholarship to a scholarship recipient. Applicants should seek independent financial advice prior to lodging their applicant for a scholarship.
